FOREWORD

Several important issues were discussed and approved at the SSMFL's last meeting of delegates.

The executive has finally approved a pay increase for goal and boundary umpires. The men with the flags will now receive \$7 for a reserves game and \$8 for a league game.

Their more athletic colleagues had their fees increased to \$8 for a reserves game and \$13 for a league match.

The increases were the centre of a dispute earlier in the season that included threatened strike action by all umpires.

The Umpires' Advisor, Ian Randall, told the meeting escalating travelling costs were the main reason the increases were sought.

Spectators at league games are likely to see a more colourful exhibition as a result of the passing of a motion put forward by the Kenwick club.

The motion allows all home clubs to wear coloured shorts — a practice already employed by Armadale. And one, incidentally, that should be followed by the Demons WANFL counterparts, Perth.

Kenwick (blue shorts) and Maddington (gold) are two clubs considering updating their uniforms.

The most significant point to come out of the meeting was the Victorian Football Association's interest in playing an end-of-season game against the SSMFL.

The VFA responded quickly to our League's "feelers" and asked for information on the SSMFL's playing strength and its locality.

If the game eventuates it will be played in Melbourne in October. However, the League executive hopes it will become an annual event with the venue alternating between Melbourne and Perth.

Delegates elected Maddington captain-coach, Dennis Cometti, coach of the combined side.

TODAY'S GAMES:

Gosnells look more than capable of defeating Canning at GOSNELLS OVAL and in so doing, home themselves for next week's major clash against league leaders, Maddington. The homeside's finesse and pace will be two of several deciding factors in today's game.

An upset win by Thornlie against Kelmscott at JOHN DUNNE OVAL is what the competition needs but it's doubtful if it will eventuate. Thornlie have shown some semblance of form in recent weeks but Kelmscott have won fourth place through consistency and they look too talented today.

Kwinana have been viciously hit by injuries but they can expect no sympathy from Maddington at MEDINA OVAL. It's difficult to see anyone other than Gosnells seriously challenging the Bulls at this stage, so they're logical selections this afternoon.

Kenwick have the opportunity to cement themselves in third place when they play Kalamunda at HARTFIELD PARK. The Wicks are a top combination and it will take better sides than the Kougars to upset them.

Today is Mandurah's final chance to stay in the race for the four but Armadale look capable of doing the job at GWYNNE PARK. Neither side has played well this season but Armadale have maintained some semblance of system and are a competitive team.

TALK OF BULL

Our reserves side had their toughest encounter so far this season when they played Kelmscott. After being three goals down at one stage they fought back to be eventual winners by five goals. Best players were Dave Reynolds, Mack Platell, "Horse" Condon and Gus Reynolds.

The league won comfortably and were well served by Lindsay Reynolds (he relished the extra work), rovers Ron Watroba and Colin Tincknell who both worked hard and ran on all day. Ian Saunders and Alan Riley were two others to stand out in a very even team performance.

Last Sunday was our Happy Sunday Morning which proved to be a roaring success. A large, but orderly audience appeared rapt in the entertainment provided and full credit must go to Gary Maskiell, his sub-committee and all other helpers.

The league twenty did not participate in this festivity as they were geared to play the State Amateur side. This was a very high standard game with the Amateurs finally winning by three goals. The latter impressed with their pace and exceptional high marking ability and it was a credit to all players in the manner in which they fought out the game.

Best players were defenders Rod Mohr and Jim Cominelli and rover Paul Mountain.

Members and supporters are reminded of our cabaret on the 18th June featuring WISHBONE as entertainment. Some people have complained of repetition at Cabarets (i.e. same people, same music, same drunks); this one will definitely be different, so be there.

16th July is the date of our Annual Ball at the South Perth Civic Centre. If last Sunday morning is anything to go on you had better get in early for tickets. See Gary Maskiell, Graeme Mason or Bevan Slavin.

Don't take Kwinana for granted, as they had us jinxed last season, they may do it again . . .

TAURUS

THE SEASIDERS

The least said about Mandurah's defeat at the hands of Kenwick, the better. It was certainly demoralizing for the depleted Mandurah side to be beaten so convincingly. We can only hope that our many injured players have recovered and that the extra week's rest has restored both body and spirit. Today we meet Armadale at Armadale and it is imperative for club morale that we at least put up a fight — but hopefully Mandurah will play their way back to the winning list.

SOCIAL NOTES:

The treasurer reports that we made a good profit on the cabaret, so thanks to all those who got out and sold tickets to make it such a success.

The players tea on Friday was another success for the club and enjoyed by all those who attended.

Congratulations to Terry Woollorton and Sandra Whiteman who have announced their engagement. Also congratulations are due to Jack and Christine Dodd on the birth of a son.

KALAMUNDA

Another win for Brownies boys, well done. Once again a team effort from all concerned Kenwick will be harder this week, it would be great to start knocking off some of the top sides for a change, so what about it reserves, start the ball rolling.

To the organisers of the ball thank you from all, for a great night. The support of people in the background has kept this club's spirit alive for some years and we trust will someday motivate the club on the field to repay you for services rendered.

Well players what can we say or do, we have our opinions, our ability is said to be zero but !! We have played Kelmscott and Gosnells, teams in the four and could have won both matches. Kenwick are also in the four do we accept defeat now, or for a change see twenty players going to dedicate themselves to give of themselves a performance we are capable of. Support Kim and Brownie, back up Ian Price so that we can start to rip the opposition apart. Defend all the way, be desperate in all you do and let some of the boys turn into men and play for the club till it hurts.

WE MUST START WINNING.

We invite Kenwick to our after game social at Wattle Grove Hall.

THE HAWKS

It was extremely pleasing for all our supporters and players to see another double victory registered against Kwinana last Sunday, especially as the result was well earned — particularly in the league side.

For the league it was a welcome return to form with all players contributing to an overall brilliant team effort. There is no doubt that we are a definite threat in the competition — as long as every player keeps responding to the wishes of our dedicated coach. Both he and all members and supporters have faith in you.

Best Players for the league were Hans Heystraten, who put in an outstanding performance both on the ball and in the forward line where he bagged seven goals. Dale Chapman played tirelessly throughout and controlled the game around the ground. Peter Dougen, who missed last week's game because of illness, made a splendid recovery and proved to the team the great leader he is, with exceptional rucking and long penetrating drop-kicks which initiated many of the constructive manoeuvres.

Congratulations to all league players — keep up the good work.

RESERVES: Last week's game of course earned us another victory and another four points, but we all know it wasn't our best performance. We have many talented and experienced players with league ability not making selection. In all fairness to your coach, the side will not show an outstanding improvement unless there is a one hundred percent attendance at training. Best Players were Graham Campbell, S. Morrell, B. Smith and S. Fyduiniw.

SOCIAL: I trust everyone had a very enjoyable night last Saturday night at the \$500 Bonanza Raffle and Barbecue Night. We appreciate the outstanding attendance.

Congratulations to Bruce and Shirley Daley on the arrival of their baby daughter.

We wish Barry Woodhead and Grant Denning a speedy recovery from their current injury.

The Club extends thanks to all those who supported the raffle and barbecue last Saturday night and made it an outstanding success.

H.H.

IN THE LIONS LAIR

O.K. so that's two wins in a row. Now let's not get complacent — let's play today with the same spirit that was applied in the last quarter last week and make the Bulldogs three in a row.

Today's game is probably the most important game for the season in the home-and-away segment, so every player has to pull his weight and do his job. The most pleasing aspect of last week's game was the fact it was our first win at home for the season, giving the supporters and committee new heart for the remainder of the season.

Best Players: Bob Whyte (started to use his weight and ability to telling effect — kicked a startling goal), Bruce Duplock (another fine effort on the wing), Ray Myles (a classy exhibition, a custodian when the Demons were applying the pressure), Trevor Sturk

(shifted to wing and showed great marking form), Ping Pong Payne (got the goals to keep us in the game).

RESERVES: The reserves struggled to another win in an untidy game of "hoofers". The result was in doubt well into the last quarter until reserve bustling Bob Miller poked through a long one. Anyhow winning is what it's about, so well done players. Now this week, if you can't capture the ebbing spirit reckon you can take out the Mini-Bulldogs but it'll take the lot to do a lot. Best Players: Ron Bullingham (the only player to consistently use the ball effectively — good effort), Vince Daly (strong half-back performance), Alex Nie (in everything as usual), Bruce Comley (Perky display), Mick Brierty (not far short of "A" grade requisites).

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

After a week's rest, we return to Gwynne Park as hosts to Mandurah F.C., the "Seasiders". All "Seasiders" are invited to our friendly after-match social, run by "Rob's Army". The "C.O." of this Armadale Social Corps wrote the article for the Thornlie game. Thanks Sarge. A word of warning about Rob's Army, anything that moves they salute, anything not moving they whitewash it!

At Thornlie two weeks ago, the Reserves improved their lot, and finished the game with a respectable scoreline even if they did lose. Several players put in worthy efforts, but none more than Peter Griffiths, Mike Meloncelli, Gary Cole and Mick Watson. See if you can "rock the boat" today fellas, and win your first game of this round.

The League side were in with an even-money chance at the start of the final quarter when the scores were dead level. But the chronic inability to fight back, let them down again. True, some players were prepared to keep taking the fight to the opposition, instead of wearing their heels out by back-peddalling. The best examples of this willingness to fight were shown by Peter Wilkes, Billy Griffiths, Max Van Helden, and Ernie Dingo. No more lectures, morals, and quotes etc., from me fellas. You all know what it costs to win a game, it depends on what you're prepared to "spend". There's not "discount" in football fellas. Enough said.

The Under 18's extended their unbeaten run two weeks ago, by beating Thornlie at Gwynne Park. Best players were "Veg" Fullgrave, Alan Henderson, Andy Bignall, who kicked a goal from the scoreboard mark, and one of Joe's mob, Ivan Vudrag. To this team, and all our Junior teams, you're a tonic lads!

Congratulations are in order for Peter and Lynn Griffiths on the birth of their baby daughter Caroline. Let's hope she's a "Sweet Caroline" and let you sleep at night Mum and Dad!

NOTICES: Today is the last day for players to pay their membership fees before the non-membership rules apply.

Cabaret: On Sat. 3rd July 8.00 P.M. to late, at the Kelmiscott Hall, Billy Griffiths' band the "Park Lane", floorshow. See any member of Rob's Army for tickets.

MIGHTY ROYALS

In an ore of goals Kenwick 33.21 gave one of its best displays of football this year against a Mandurah side 5.3, that lacked fire or enthusiasm. New players to the Kenwick side in Leon Ryan and Alf Stal fitted into the style of game early and both played excellent first halves. The Royals ruck division, lead admirably by John Risely, had very little opposition and on numerous occasions drove the ball deep into attack. Young Geoff Truscott gave a superb display of roving with 31 kicks for the match — 8 of them resulting in goals. Other

fine efforts came from Dave Backhouse, who was supposed to be playing half-back, but got carried away and drifted down to kick 8 goals, while Gary "Fanta" Holbrook gave an impassable performance in the back pocket. A belated 'Congratulations' to Ray Winduss for his 100th game on Sunday — on behalf of the Kenwick Club we wish Ray all the best and hope he can continue to serve the club for many years to come.

The Seconds game was delayed while Mandurah waited for its guernseys to arrive. They finally were turned out in Maddington jumpers and for the first half lived up to the counterparts. However after this period Kenwick began to get some system into their game through Ken Staines and Gary Worthington and their efforts were capped off with a good performance at centre half forward by Paul Roberts. Wayne Ogg and Gordon Fielder were hard workers all day, but general the side did not function as well expected.

SOCIAL: Great night had by all at the Ascot Ballroom — thank goodness there wasn't any football on Sunday. Keep an eye out for coming events for the men and one for the ladies. This week Kalamunda to stay back and support our neighbours.

THE KNIGHTS NOTES

Our encounter against Gosnells a fortnight ago was not particularly pleasing and some players must be disappointed in themselves and their attitudes. A spirited performance against Maddington today would put us on the right road to recovery.

The seconds gave a good fighting display against Gosnells only to go down by a narrow margin. Good efforts were given by G. Ross, J. Read and E. Riseberry.

Gosnells league side were too strong for us but it is a credit to a depleted side for fighting the game right out. Players to stand out were W. Turnbull, R. Caporn, J. McBride and D. Baskerville.

We appreciated the visitors from Gosnells Club after the games and I'm sure we will reciprocate in the second round. We invite the Bulls to enjoy our hospitality after today's matches.

The annual ball was a resounding success last Friday but we look forward to heavier Club participation at future functions. Peter — thanks and congratulates all those who assisted particularly those women concerned with the catering.

Raffle tickets in the giant raffle are now available from your Committee. Help us to make this a huge financial success.
